"Meeting the Challenges of the Future Begins Anew Each Day"

Gunderson exists! New ideas deeply rooted in the traditions of the past have been combined to form a new high school. From a foundation of planning by administrators, counselors, faculty, and students, the school began. As the days went by, the school began to take on a character of its own, unique and yet familiar. The foundation recognized that change is constant and that the school should be able to respond to constant change in a positive manner.

The staff and students have established traditions, policies, and procedures which will endure for many years and keep the school vital, dynamic and responsive to the needs of all it serves. My deepest thanks to all of you who have helped make a dream a reality.

Ralph H. Sleight
Principal

Dedication

On November 22, 1976, Henry T. Gunderson High School was dedicated to Henry T. Gunderson. Dr. Wilson Riles, State Superintendent of schools was on hand at the ceremonies. He said that Henry Gunderson would have been proud of this school. Debbie Pearson gave a biography on Mr. Gunderson, and accepted an oil painting of Mr. Gunderson that was given to the school.

THE ADVISORY CONCEPT

Advisory was designed especially for Gunderson High School. In most schools 200 or 300 students are assigned one counselor. If they are lucky they see their counselor three times a year. At Gunderson every student is assigned a counselor plus an Advisor. Each advisor has 20 to 25 students. The students see their advisor at least once a week to solve minor problems. Major problems are handled through their counselor. In advisory, students talk about events that are happening in school. Each advisory has a student representative who represents his/her advisory at student government meetings. This way students know what is happening with Student Government. Students are more involved in the school because of Advisory.

SPECIAL SERVICES OF GUNDERSON

Gunderson strives to develop a strong bond with the community, therefore, there are many special services. One of these special services is the Media Center. It is the processing center for all instructional materials: Audio-visual, textbooks, and a Library.

Gunderson also has an Olympic sized swimming pool and a diving pool. It also has a theater. The city of San Jose gave the school district money so Gunderson could have these things, and the community could benefit from them also.

Plays, concerts, swim meets, and Adult education classes are a few of the many community events that are held here at Gunderson. It is felt that this will help the community to feel they are special too.

STUDENT GOVERNMENT

The plan for Student Government was developed in Leadership Classes. When Gunderson opened, we launched right into the new governmental system. The government consists of a Governing Board, A Supreme Court, and six separate communities. Gunderson's Government is unique in that the whole student body has a chance to be in Student Government. Each community is made up of representatives from the seperate advisories that choose one representative for the governing board. Each community has one teacher who is known as the community leader. The governing board also consists of the supreme court justice, and the president and vice-president of each class. The supreme court was picked by the governing board which consists of eight members and two alternates. The supreme court then picks a justice to precide over meetings and go to governing board meetings. Any student who wishes to go to either the governing board meetings or the supreme court meetings is welcome. This governmental system gives the whole student body a chance to get involved which coincides with Gunderson's motto that Everybody is Somebody Special

Juniors '77

This year Gunderson's Junior Class was an unbelieveable success. All of those that put in such a tremendous amount of effort deserve much of the credit. It is hard to start off the first year in any new school and be successful. Thanks to the great effort and initiative put forth by our officers, we had a good year. I am sure that most of the members of the Junior Class appreciated this effort and can't wait until next year.

Future Farmers Set High Goals for First Year Chapter

F.F.A. is alive and well at Gunderson High School. This national organization originated in 1928, with chapters in approximately 8,000 high schools throughout the nation and with over 450,000 members enrolled in Vocational Agriculture classes.

The Gunderson Chapter has sent two members to Washington D.C. and Kansas City for their annual National Convention. Members also participate at the Jr. Grand National with their market hogs and lambs. Other contests which many participate in are: Project Competition, Parlimentary Procedure, Livestock Judging, etc.

One important activity to the Future Farmers is competing at the SANTA CLARA COUNTY FAIR with their livestock and exhibits. From previous years we have had three steers up for reserve champion, and many blue ribbons with steers, sheeps, and hogs. GOOD LUCK FUTURE FARMERS at this COUNTY FAIR!

I have enjoyed working with our enthusiastic Spirit Staff in establishing a foundation for Gunderson spirit. We mutually learned from each of our endeavors and built upon our acquired knowledge. The task of organizing a spirit program became our goal. The success of our efforts will become evident in future years. My personal thanks and best wishes to each member of the 1976-77 Spirit Staff.

Gunderson's first football team started the 1976 season with much optimism. Players from Leland and Pioneer comprised the team. Leland sent over their outstanding running back, Nick Geannacopulous and Pioneer sent six lettermen, Sal Vitale, Remo Paul, Mike Parisi, Harold Morgan, Brent Rodrigues, and Bruce Kawanami.

The first game set the stage for the remainder of the season. We opened against Buchser High and lost not only the game but two outstanding players, Steve Wolf and Nick Geannacopulous on knee injuries that sidelined them for the season.

The team played each game with great enthusiasm and desire. They improved with each game, proving the fine character of the players. The final game ended with a 14-14 tie with Pioneer. It was a hard fought and well played game.

We will miss the seniors. They will long be remembered as the members of the first football team at Gunderson We thank them and the team for their many hours of dedication, hard work, and loyalty to the Gunderson football program.

This year's sophomore football team worked hard all season. We expected to do much better than our overall record of 5-4-1. Our season started out looking very promising with a win over Buchser. We suffered our first loss against Campbell and came back in our last preseason game with a win over Santa Cruz. The team made great showings against San Jose, Live Oak, and especially Pioneer. Outstanding players were Tony Agrella, Pete Pritts, Rick Kapchuk, Keith Zeber, Chris Lopez, and Jay Jinguji. Performances were also turned in by Mark Maryama, Mike Saia, John Nunziati, Steve Yoder, and Ken Tidwell.

Cross Country Builds for the Future.

Top: Senior Matt Dean. Right: Steenfott leads the way.

The 1976 Gunderson Cross Country Team was a very inexperienced team. Only two individuals had ever run competitively before. The Varsity team was led by Senior Matt Dean, who won 4 out of 7 league races. Also contributing to the Varsity team were Mike Krause, Posh Chiu, Doug Rodamer, and Jim Pillsbury. The Varsity team finished 2 and 5 on the year in the S.T.A.L. league standings.

The Sophomore team showed a lot of promise at the beginning of the year, winning 3 out of their first 4 meets. But then injuries, and lack of depth finished off the team with a 3 and 4 record. The team was led by All-League runner Don Steenfott. Steenfott won 6 out of 7 league meets. Also contributing to the team's fine effort were Vince Vasquez, Crayton Qualls, Pat Gallagher, Lon Murphy, Jeff Chong, and Alan Harmon.

C & Ds SET GOALS FOR NEXT YEAR.

The C basketball team was characterized by inexperience. The team improved each time they played. Throughout the season, the play of starters Jim Valenti, Lance Laranjo, Don Raymundo, Steve Chiles, and Ray Reyes improved with each game. The team was bolstered by the play of Steve Schreiber and Greg Gin coming off the bench. This was definitly a building year with everyone except Reyes and Schreiber coming back next year.

The Ds had a lot of enthusiasm with very little experience. Starters John Welch, George Brown, Mark Fragio, Paul Wozuni and Dave Hargreaves gained valuable playing experience and were helped by Scott Bender, Matt Edwards, Dean Moore, Rich Hamamoto, and Matt East. Most of the Ds will be back next year to strengthen the Gunderson lightweight program.

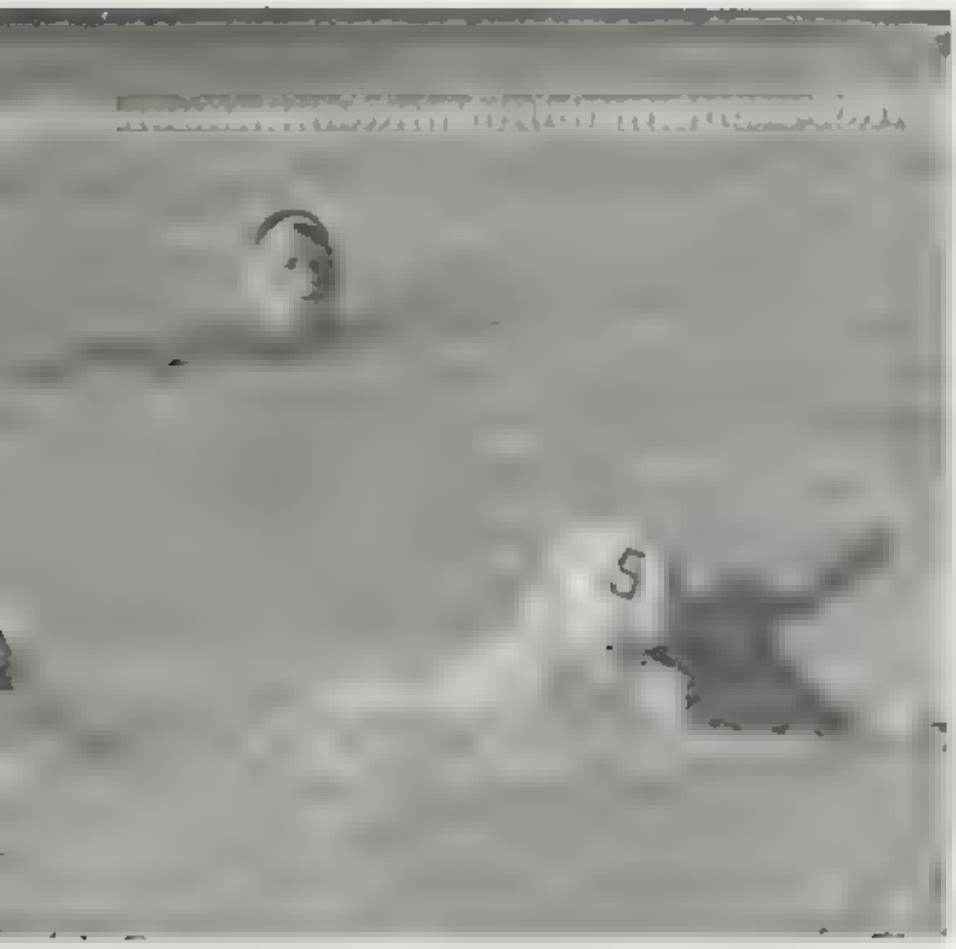
MAKES A SPLASH!



The inaugural season for the Gunderson Water Polo sqad proved to be a very exciting one. The Varsity poloists aquired a 3-3 won-loss record in the tough Santa Teresa League, while the Sophomore team earned a berth in the S.T.A.L. finals held at Gunderson, before bowing out to Leland. Leading the Varsity attack were Seniors Mark White, Axel Werner, and Goalie Mike McIntyre. White achieved first team all-league honors, while McIntyre and Werner gained second team laurels. The future look to be promising for up and coming water polo squads at Gunderson.

Varsity Basketball

The Gunderson Basketball team of 1976-77 had a rough inaugural season and suffered through the season with a 1-13 league record. The Grizzlies, despite their poor record they showed signs of brilliance and played tenaciously throughout the season. The varsity team was lead by Coach Doug Ramazane, who earlier guided the Lincoln Lions to CCS Finals. Ramezane's corps were led by Steve Savage who played brilliantly all year while averaging 23 points an outing. The other standouts were: Steve Bass, Mike Lehman. Savage was one of the top five scorers throughout the year.

Injuries hampered the young team, Ex-Leland player Tim Reyes was greatly missed as he was sidelined early in the season due to injury.

The Grizzlies can only imporve next year, and the future looks bright with several returning Lettermen and a talented sophomore core.

Gunderson's 1st Wrestling team was small in numbers, but large in spirit and desire. The team was short on experience this year, but with the good group of sophomores and juniors returning we hope to have a very representative squad next year. This was most certainly a building year and as a result the Grizzlies had to "Take their lumps" but through hard work and determination the team will be giving instead of taking in the years to come. A special thanks is extended to Coach Bob Loyst for his effort in helping the Grizzly Mat Men. The team and I both wish him luck in his endeavers in the coaching field.

Our Soccer team came into the season with high hopes. The Varsity team won its first five games before suffering their initial setback to San Jose. The Grizzlies finished the season with a highly respectable 10-4-2 record, leading Coach Bill DiCristinas squad was 1976 M.V.P. Guilio Bernardi who scored 18 goals for the Grizzlies other standouts included: Don Wallace, Scott Breshears and Rene' Delaney. The Junior Varsity compiled a 12-4 record and finished second in the S.T.A.L. Standouts included Dario Bernardi, Craig Bummer, and Kevin Coughlin.

I feel I had the best group I could have possibly had this season. We had many obstacles to overcome: lack of courts, shortened practice time, split practices, etc. The group held together well, and we enjoyed good fellowship. It was a building year. The greatest success we had was building character. I am very proud and honored to have been the coach for the first year team. It was the best coaching experience I have ever had. Thank you girls and Thank-you Steve Prellwitz for your help and support.

This was a season of gaining experience and learning the basic skills of the game. Even though our win-loss record indicates victories were few and far between; I feel we had a successful season and I look forward to next year.

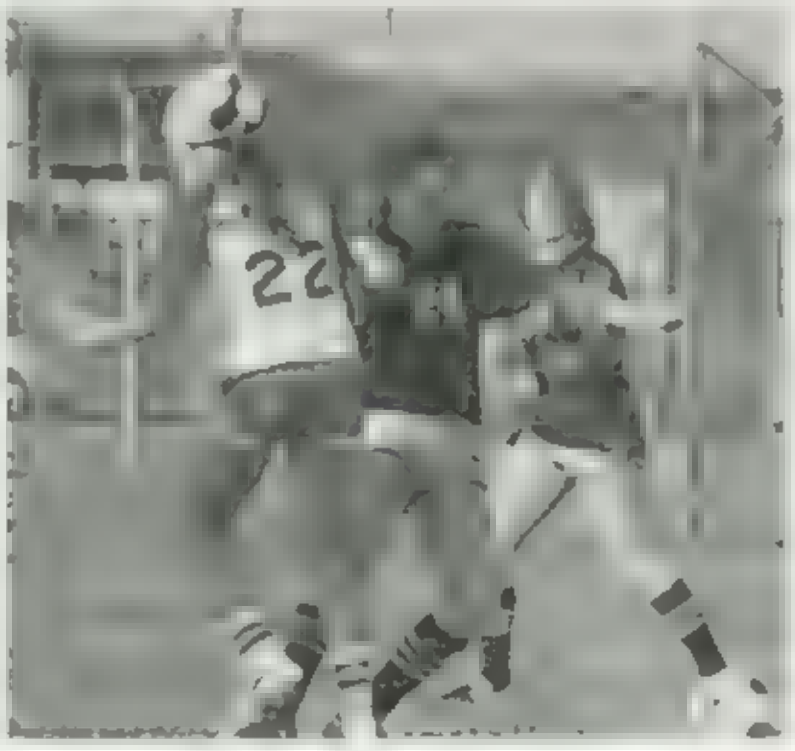
Soccer



The first year for the girl's soccer team at Gunderson was one of building for the future. A virtually inexperienced team went into the 76–77 season with high hopes and a tremendous team spirit. The first half of the season brought with it many problems such as injuries to some very good players on both the Varsity and J.V. teams. This resulted in the decimation of the J.V. team and the remaining players from the J.V. team moved up to the Varsity team. Even though there were so many problems, the girls that will be back next season are looking forward to it.

Top Row: Coach Hojda, Annette Mollica, Rhonda Gillette, Karen Sakamoto, Jody Hunter, Bottom Row: Kristin Wilson, Kathy Jakabcin, Wendi Michelli, Joyce Ryan.

This years girls' Basketball team at Gunderson was the cornerstone for the future. We had a young and inexperienced group of female athletes and have faced a tough comoetetive schedule their season out. It must be viewed that these athletes at Gunderson came from at least four different schools, and putting that aside have really initiated a team togetherness feeling amongst them. These athletes are a determined group and have demonstrated noticeable improvement throughout the season.

Top Row: Coach Gallo, Gail Hill, Becky Smeby, Linda Stuurums, Kim Thorpe, Laverne Strickland, Bottom Row: Pam Shipp, Kathy Smith, Donna Jacker, Tammy Corchro.

safe on the other side
bridge to span the tide
said a fellow pilgrim near,
You are wasting strength with building

Your journey will end with the ending day
You never again must pass this way.

This chasm that has been naught to me
To that fair-haired youth may a pitfall be
He, too, must cross in the twilight dim;
Good friend, I am building this bridge for
